

YOU ARE NOT ALONE!

Our group meets on the 2nd Saturday of the month, and anyone with multiple myeloma or their care givers is welcome. Although our main goal is to share our stories and support each other with information about multiple myeloma on our journeys, occasionally we have speakers. This month we will have a speaker, Dr. Jeff Matous, Myeloma Specialist at CBCI. We will spend the second hour sharing our stories.

Please join us at our next meeting in a **NEW SPACE, on
SATURDAY MARCH 14th, 2020, from 9-11 a.m., at
Pres/St. Lukes Hospital, in the Hummingbird/Bluebird Room,
which is on the Children's Hospital side, off of High Street.
Parking is in or behind the Rocky Mountain Professional Bldg.
2055 High Street, Denver, CO 80205**

The Rocky Mountain Hospital for Children is at the east end of P/SL, off of **High Street**. If you are on 17th/18th St., turn north on High St. Just north of the Emergency entrance, turn left and the parking is on the right, in a red brick building called Rocky Mountain Professional Building. From the parking lot, go in the front door of the hospital (to the south/left). The Hummingbird/Bluebird Rooms are to the right of the lobby, just down a short hallway.

Feel free to email me or give me a call if you would like to clarify anything or just chat.

LOOKING FORWARD TO SEEING YOU THERE ON MARCH 14!!!

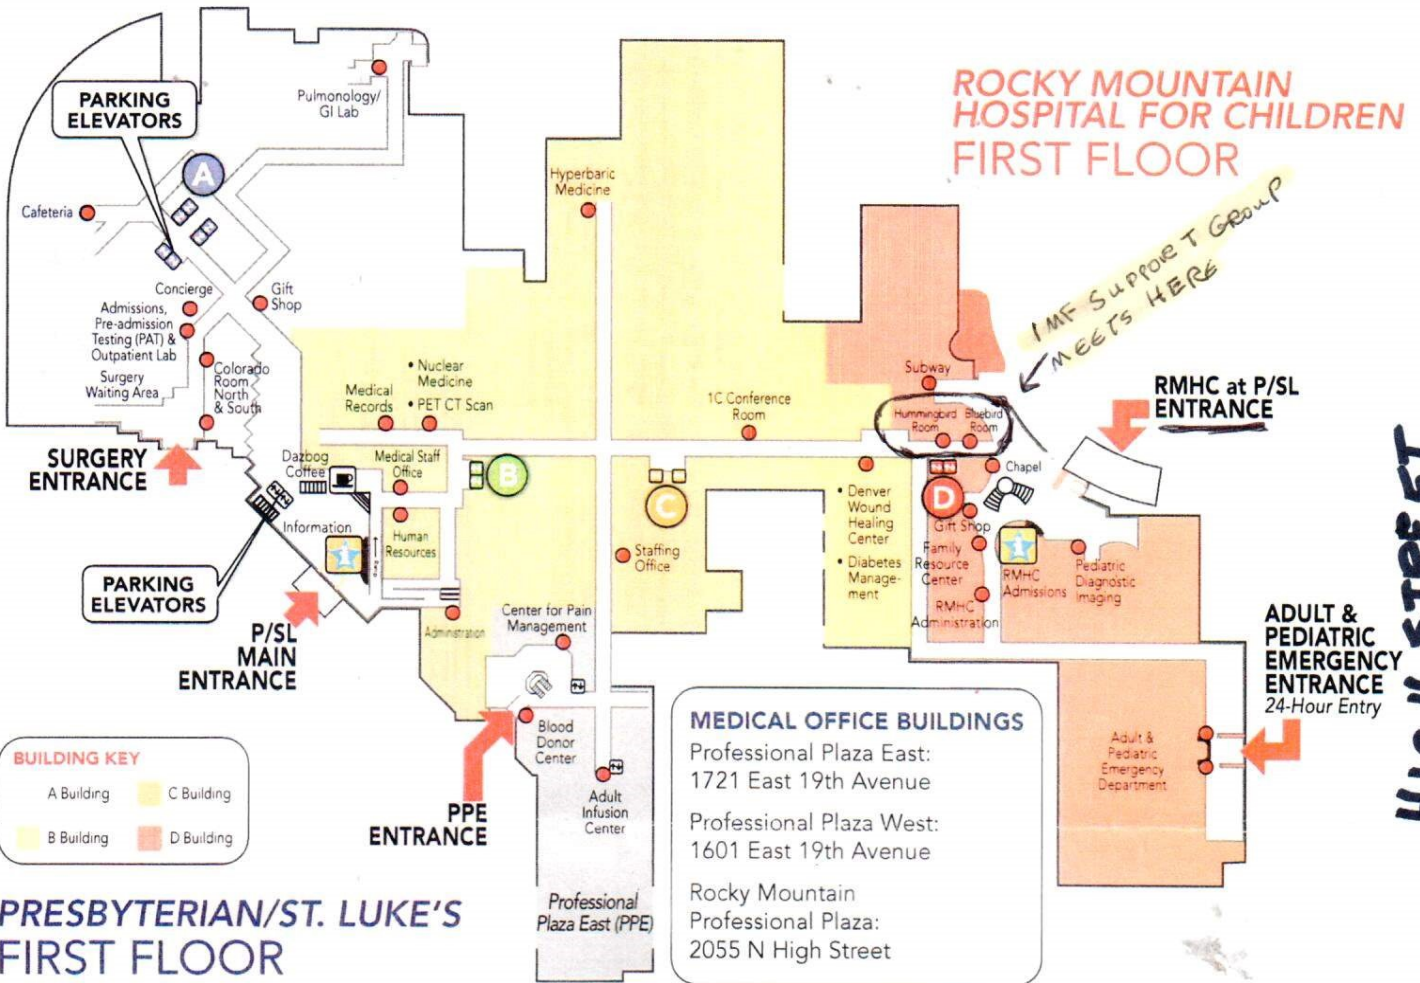

Sarah Kelzenberg, Group Facilitator
